

LITTLE LEAGUE BASEBALL & SOFTBALL PENNSYLVANIA DISTRICT #15

PRESENTS

WHAT: Preseason Skills & Little League Day and is for coaches and players ages 5 to 14

WHERE: Decker Gymnasium located on the campus of Mansfield University

WHEN: February 15, 2009 starting at 10:30 a.m. with registration from 9:30 - 10:30a.m.

This clinic is for managers, coaches, players and parents and is the official coaching and skills clinic of Pennsylvania District #15 of Little League Baseball & Softball. After having held just a coaches clinic for the past 3 years we have decided to expand this clinic and move it to the University.

Many of the coaches who have attended have made suggestions and asked for more than what we offered in the past. I am proud to announce that Harry Hillson has done just that. We were asked if it would be possible to bring players and this year we have set up a skills clinic for players while at the same time having the coaches clinic. The coaches also asked if it would be possible to have a separate softball clinic and it gives me great pleasure to announce that at the same time as the above we will be having a separate coaching clinic for softball being put on by Stetson Hall of Fame Pitcher Erin Hillson.

Enclosed are brochures and a form for group registration. Don't miss the opportunity to attend this clinic being put on by Harry, the University coaching staff and Erin, they are the finest in the area.
